

Title	Author	Institute	Country
Development and Quality Evaluation of Cocoa Incorporated Cashew Nut Spread	K.H.I. Gimhani	Sabaragamuwa University	Sri Lanka
Exogenous Nitric Oxide Donor Sodium Nitroprusside Improves Growth and Physiological Attributes of Rubber (<i>Hevea Brasiliensis</i>) under Abiotic Stress Conditions	N.M.C. Nayanakantha	Rubber Research Institute	Sri Lanka
Modified Alley Cropping System for Improving the Productivity Cropping System	M.S. Nijamudeen	Field Crops Research and Development Institute	Sri Lanka
Livestock Feed Availability in Manmunai South Eruvil Pattu Divisional Secretariat Division in Batticaloa District	M.M. Mahusoon	Eastern University	Sri Lanka
'B-M Model' for Farmers' Knowledge Management in Increasing Rice Production	Bidyuth K. Mahalder	USAID Agricultural Extension Project	Bangladesh
Morphogenetic Variability in Rhizoctonia Solani and Biochemical Characterization of Brown Seaweed Algae and Its Efficacy on Management of Rice Sheath Blight	T. Suthin Raj	Annamalai University	India
Effects of Different Compost Levels on Growth and Yield Performance of Finger Millet (<i>Eleusinecoracana L.</i>) under D15 Agro-Ecological Zone of Sri Lanka	H.K.R.S. Kumara	Institute for Agro Technology and Rural Sciences	Sri Lanka
Effect of Agronomic Management Practices in Enhanceing the Performance of Flooded-Direct Seeded Rice in Sri Lanka	T.K. Illangakoon	Rice Research and Development Institute	Sri Lanka
Impact of Nitrogen Based Chemical Fertilizer Application on the Grey Water Footprint of Paddy Cultivation in Intermediate Zone, Sri Lanka	M.P.G.N.M. Palliyaguru	Sri Lanka Standards Institution	Sri Lanka
Status of Chilli Leaf Curl Virus and Pest Population Dynamics with Varying Micro Environment under Different Shade Levels	W.M.K. Fernando	Field Crops Research and Development Institute	Sri Lanka

Impact of the Basal Dressing for Seedling Stage of Green Gram (<i>Vigna Radiata L.</i>)	S.L. Nawarathna	University of Colombo	Sri Lanka
Agro - Forestry Expansion in Middle Gangetic Basin: Adopters' Motivations and Experiences in Bihar, India	Rakesh Tiwary	A.N. Sinha Institute of Social Studies	India
Farmers' Perception and Attitude towards Aquasilviculture in the Ecological Critical Areas of the Sundarbans Forest of Bangladesh	Arifa Sharmin	Khulna University	Bangladesh
Effect of Different Concentrations of Wood Vinegar on Growth and Yield Green Gram (<i>Vigna Radiate (L)</i>)	B.P. Siriwardena	University of Colombo	Sri Lanka
Evaluation of Cutting Type and Pot Size on Mass Production of Betel (Piper Betle) Plants	T.G.B. Dhanushka	University of Colombo	Sri Lanka
System of Rice Intensification (Sri) Maintains Water-Use Efficiency and Soil Microbial Biomass in Rice Paddy System: A Review in Asia	Rahmad Supriyanto	Newcastle University	United Kingdom
Evaluation of Different Climate Change- Adaptive Packages of Practices on Ecofriendly Chilli (<i>Capsicum Frutesces L.</i>) Production in Dry Zone of Sri Lanka	Godwin Asharp Sharmec	University of Jaffna	Sri Lanka
Efficacy of Vermiwash, Neem Extracts and Commercial Pesticide on Brinjal Plant (<i>Solanum Melongena L.</i>)	Nithiyagowry R	University of Jaffna	Sri Lanka
Agronomic Performances in M1 Generation of Aromatic and Non-Aromatic Rice Cultivars under Drought Stress Level of – 0.03 MPa	Bagus Herwibawa	Diponegoro University	Indonesia
Screening of Phenol Catabolic Genes in Bacteria Isolated from Sri Lankan Petroleum Contaminated Sites	Madhavi Prasadani Dassanayaka	Wayamba University	Sri Lanka
Effect of Genetic (Varietal) Diversity of Rootstock on the Grafting Success of Mango (<i>Mangifera Indica</i>)	P.G.A.S. Warnasooriya	Postgraduate Institute of Sri Lanka	Sri Lanka
Effect of Manure Plus and Inorganic Fertilizer on Maize Production and Nutrient Uptake of Stover	Dwi Retno Lukiwati	Diponegoro University	Indonesia

Increasing Planting Densities to Enhance the Ecological Benefits of Sunn Hemp (<i>Crotalaria Juncea L.</i>) as a Green Manure Crop	Dilshan Benaragama	Rajarata University	Sri Lanka
Productivity and Profitability of Sunflower (<i>Helianthus annuus L.</i>) Hybrids Under Spring Planting Conditions for Oilseed Security in India	Prof. Mahendra Singh Pal	G B Pant University of Agriculture & Technology	India
Land Use Change Effects on the Physical Quality of Upland Soils in Leyte, Philippines	Reynilda M. Monteza	Southern Leyte State University	Philippines
Microbial Enumeration and Identification of Dominant Lactic Acid Bacteria of Batuan [<i>Garcinia Binucao (Blanco) Choisy</i>] Fruit during Brine Fermentation	Meryl V. Capapas	Southern Leyte State University	Philippines
Dairy Farmer's Interest in the Activities of Livestock Extensions at Malang Area, East Java, Indonesia	Aris Winaya	University Of Muhammadiyah Malang	Indonesia
Survey on Apple Production and Variety Identification in Chencha District of Gamo Gofa Zone, Southern Ethiopia	Seifu Fetena Fela	Arba Minch University	Ethiopia
Development of Short Duration & Drought Tolerant Mustard Canola for the Food Security of Arid Areas	Hafiz Saad Bin Mustafa	Ayub Agricultural Research Institute	Pakistan
Safe and Healthy Farming Community : Interventions for Alleviating Hazards in Agriculture	Rekha Vyas	Maharana Pratap University of Agriculture and Technology	India
Productivity and Economics of Maize Based Cropping Systems under Organic Production Systems in India	Shanti Kumar Sharma	Maharana Pratap University of Agriculture and Technology	India
Red Dragon Fruit (<i>Hylocereus Polyrhizus</i>) Peel Extract as Edible Coating to Control Anthracnose Disease on Chili Fruit	Noni Irnadianis Wibiani	Bogor Agricultural University	Indonesia
Development of Glyphosate-Tolerant Transgenic Potato Plants Harboring the G2AROA Gene	Arfan Ali	The FB Genetics	Pakistan
Pelack (Pest Repellent Sack): Alternative Control for Storage Pests Alternatif	Natassa Kusumawardany	Bogor Agricultural University	Indonesia
